INDEPENDENT AUDITOR'S REPORT

Board of Directors
The Dalmatian Dreams Foundation dba Dream Foundation
Santa Barbara, California

Opinion

We have audited the accompanying financial statements of The Dalmatian Dreams Foundation dba Dream Foundation (a non-profit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Dalmatian Dreams Foundation dba Dream Foundation as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Dalmatian Dreams Foundation dba Dream Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Dalmatian Dreams Foundation dba Dream Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Dalmatian Dreams Foundation dba Dream Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Dalmatian Dreams Foundation dba Dream Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the The Dalmatian Dreams Foundation dba Dream Foundation's December 31, 2021 financial statements, and we expressed an unmodified audit opinion on those statements in our report dated June 21, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

Note 1 – ORGANIZATION

The Dalmatian Dreams Foundation dba Dream Foundation (the Organization) began in July, 1994, as a project implemented by Access Theatre. The Organization was granted independent 501(c)(3) status from the Internal Revenue Service in 1996. The Organization's fictitious business name statement (Dream Foundation) was filed on September 3, 1998. The purpose of the Organization is to grant wishes to adults in the United States whose clinical life expectancy is less than one year, and whose limited resources leave them unable to manifest such dreams for themselves.

Note 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting. The significant accounting policies are described below to enhance the usefulness of the financial statements to the reader.

Description of Net Assets

The Organization reports information regarding its financial position and activities in two classes of net assets - with donor restrictions and without donor restrictions - based on the existence or absence of donor-imposed restrictions.

Without Donor Restrictions

Net assets without donor restrictions represent net assets that are not subject to donor-imposed time or use restrictions.

With Donor Restrictions

Net assets with donor restrictions represent net assets that are subject to donor-imposed time or use restrictions. Net assets with donor restrictions generally include contributions and bequests receivable and planned gifts. Earnings on donor-restricted endowment funds that have not yet been appropriated are also classified as net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as "Net assets released from restrictions". Net assets with donor restrictions also consist of those donor-restricted endowments held by the Organization as defined under the Uniform Prudent Management of Institutional Funds Act (UPMIFA).

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include cash on hand, amounts in checking, savings, money market accounts, and certificates of deposit with maturities of 90 days or less.

THE DALMATIAN DREAMS FOUNDATION dba DREAM FOUNDATION

NOTES TO FINANCIAL STATEMENTS

Note 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Other Receivable

Other receivable consists of various receivables related to operations and are considered fully collectible.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts and disclosures. Those estimates and assumptions affect the reported amounts of assets, liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. It is at least reasonably possible that the significant estimates could change in the coming year.

Significant estimates used in the preparation of these financial statements include: allocation of certain expenses by function, fair value of donated in-kind contributions, fair value of donated airline miles, fair value of limited partnership interest, and depreciable lives of property and equipment.

Contributions

All contributions and grants are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted.

The Organization solicits donations of items to be sold at auction or various fundraising events. The Organization has adopted the policy of recording these gifts in-kind at their estimated fair market value on the date of donation.

Donated Airline Mileage

Airline mileage is donated by individuals to support the programs of the Organization. Airline companies have stipulated a value of four cents per mile, which is recorded in the Organization's books as a contribution when received and an expense when used. Unused mileage at December 31, 2022, is recorded as donated airline mileage on the statement of financial position.

Donated Services

Some individuals and organizations have donated time to the Organization to further its programs and objectives. Donated items are reflected as contributions in the accompanying statements at their estimated fair market values at the date of receipt. Donated services, which meet certain authoritative criteria and can be objectively valued, have also been reflected as contributions in-kind in the accompanying statements.

THE DALMATIAN DREAMS FOUNDATION dba DREAM FOUNDATION

NOTES TO FINANCIAL STATEMENTS

Note 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and Equipment

Property and Equipment are recorded at cost or, if donated, at fair market value at the time of the donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support.

Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. It is management's policy to capitalize certain purchases and donations with a useful life greater than one year and a value greater than \$1,000.

Depreciation is computed using the straight-line method over estimated useful lives as follows:

Furniture	7 years
Equipment	5 years
Vehicles	5 years

Depreciation expense for the year ended December 31, 2022, totaled \$4,526.

Leases

The Organization has adopted FASB ASC 842, Leases, effective in these financial statements. As of January 1, 2022, and for the year ended December 31, 2022, the Organization had no noncancellable operating or capital leases.

Further, the Organization elected a short-term lease exception policy, permitting the Organization to not apply the recognition requirements of this standard to short-term leases (i.e., leases with terms of 12 months or less) and an accounting policy to account for lease and non-lease components as a single component for certain classes of assets.

Tax Exempt Status

The Organization is a California nonprofit public benefit corporation, which is exempt from income taxes under Internal Revenue Code Section 501(c)(3) and State of California Revenue and Taxation Code Section 23701(d); therefore, no provision for income taxes is required. The Organization qualifies for the charitable contribution deduction under Section 170(b) (1) (A) and has been classified as an organization that is not a private foundation under Section 509(a) (1).

The Organization evaluates uncertain tax positions, whereby the effect of the uncertainty would be recorded if the outcome was considered probable and reasonably estimable. As of December 31, 2022, the Organization had no uncertain tax positions requiring accrual.

THE DALMATIAN DREAMS FOUNDATION dba DREAM FOUNDATION

NOTES TO FINANCIAL STATEMENTS

Note 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Tax Exempt Status (continued)

The Organization files tax returns in California and U.S. federal jurisdictions. The Organization is no longer subject to U.S. federal and state examinations by tax authorities for years before 2019 and 2018, respectively.

Functional Expenses

The Organization allocates its expenses on a functional basis among its various program and support services. Expenses that can be identified with a specific program and support service are allocated directly, according to their expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases.

Comparative Amounts

The amounts shown for 2021 in the accompanying financial statements are included to provide a basis for comparison with 2022 and are not intended to present all information necessary for a fair presentation of the 2021 financial statements in conformity with accounting principles generally accepted in the United States of America.

Note 3 – NEW STANDARD

In February 2016, the FASB established Topic 842, Leases, by issuing Accounting Standards Update (ASU) No. 2016-02, which requires lessees to recognize leases on-balance sheet and disclose key information about leasing arrangements. Topic 842 was subsequently amended by ASU No. 2018-01, Land Easement Practical Expedient for Transition to Topic 842; ASU No. 2018-10, Codification Improvements to Topic 842, Leases; and ASU No. 2018-11, Targeted Improvements. The new standard establishes a right-of-use model (ROU) that requires a lessee to recognize a ROU asset and lease liability on the balance sheet for all leases with a term longer than 12 months. Leases will be classified as finance or operating, with classification affecting the pattern and classification of expense recognition in the income statement.

The new standard is effective for the Organization as of January 1, 2022, and has been adopted for the year ended December 31, 2022. As of January 1, 2022, and for the year ended December 31, 2022, the Organization had no noncancellable operating or capital leases.

Note 4 – PLEDGES RECEIVABLE

Unconditional promises to give represent pledges with donor restrictions of \$55,000, all of which is expected to be collected in 2023. At December 31, 2022, these amounts are considered fully collectible and therefore no allowance for uncollectible promises to give has been recorded.

THE DALMATIAN DREAMS FOUNDATION dba DREAM FOUNDATION

NOTES TO FINANCIAL STATEMENTS

Note 5 – LEASES

The Organization leases office space in Santa Barbara, California for a term of five years beginning December 2016, and ending December 2021 at \$4,550 monthly. As of January 1, 2022, the lease has not been extended and is considered month-to-month. In addition, the Organization received in-kind rent valued at \$42,180 for the year ended December 31, 2022, for the Santa Barbara office.

Total rent expense, inclusive of related parking, storage, and common area expenses allocations, for the Organization was \$105,154 for the year ended December 31, 2022.

Note 6 – ENDOWMENT FUNDS

Interpretation of Relevant Law

The Board of Directors of the Organization has interpreted the California adopted Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring a long-term investment strategy designed to preserve the value of the original gift, as of the gift date. As a result of this interpretation, the Organization has classified, with the explicit prohibition by the donor, as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the donor at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment funds that are available for appropriation are classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard for prudence prescribed by UPMIFA.

Interpretation of Relevant Law (continued)

In accordance with California UPMIFA, the Organization considers the following factors in making a determination to appropriate or invest donor restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The investment policies of the Organization

Endowment Investment and Spending Policies

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the long-term purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity for donor-specified periods.
