DREAM FOUNDATION'S TWILIGHT IN THE GARDEN

On October 10, the Dream Foundation's (dreamfoundation.org) board of directors held a garden party at a private Montecito estate to celebrate its loyal supporters who have helped fulfill the nonprofit's mission of granting final dreams to terminally ill adults and their families. The 2021 Leadership of Excellence Award was presented to Colleen Barnett-Taylor and Michael Taylor, who have facilitated more than 560 dreams over the past 25 years. Longtime supporter Adam Firestone of Firestone Walker Brewing Company served as the event's emcee and live auctioneer, and the event raised \$140,000.
